

NPSC 2010

NPSC 2010

**16th NATIONAL POWER
SYSTEMS CONFERENCE**
DECEMBER 15th-17th, 2010

Innovations for Smart Grids

University College of Engineering, Osmania University, Hyderabad.
Department of Electrical Engineering.

Event Details

Date: 15 - 17 December 2010

Venue: Hyderabad, India

Kalkitech cosponsored the 16th National Power System Conference (NPSC 2010) on “Innovation for Smart Grids”. This biennial event took place in Hyderabad from 15-17th November 2010 and was conducted by the Department of Electrical Engineering, University College of Engineering, Osmania University.

NPSC 2010 saw tutorials on Smart Grids, Wide Area Monitoring & Control on 15th December. The conference was held on 16th & 17th December and covered the topics like Demand side management, Electricity markets, Power systems protection, Power systems communications and Integrating distributed generation into the grid.

Kalkitech was represented at the event by Mr. Syed Wajid, Mr. Anup Soren, & Mr. Anoop George. The focus product for the event was our power system analysis software – PowerApps. PowerApps is an integrated Power Systems Analysis Software & Simulation package that includes the Graphic User Interface, Data Base Manager, and Electrical Equipment Parameter Estimation for creating the Network one-line diagram and associated database. To know more about PowerApps, kindly contact us at sales@kalkitech.com.

*Kalkitech being facilitated for cosponsoring
NPSC 2010*

We are really thankful to all those who visited us during the event and do look forward to work with you to create **A Whole New World of Intelligent Energy Systems**
