

## **Kalkitech Press Release**

# **Workshop on Standards Based Framework for Field to Enterprise Integration**

**Bangalore, India, May 12, 2010**

Kalkitech conducted a 1-day workshop on **Standards Based Framework for Field to Enterprise Integration - A Perspective on Today's Indian Power Sector** on May 12, 2010 at Le Meridien, Bangalore. This workshop aimed at exploring the possibility of optimizing the existing levels of standardization for the major initiatives happening in the Indian Power Sector. The workshop saw eager participation from the major players in the Indian power sector.

The workshop covered sessions on Common Information Model (CIM) and Interface Services for Enterprise Integration which was conducted by Ralph Mackiewicz, Vice President of SISCO Inc. The workshop also had a session on role of Standards in Advanced Metering and Interoperable Automation System Engineering held by Vinoo Warriar, Vice President of Kalkitech. The final session of the workshop was a session on Kalkitech SYNC – A Field Data Integration and security enabled communication which was conducted by Fahid K.A, BU Manager of communication products of Kalkitech.
